# ABOUT SRICAT TOKEN

Sricat.com Token (Sricat) is a decentralized digital asset issued by the Sricat.com platform, which runs on the Binance Smart Chain network being issued in a limited number with the aim of promoting activity on Sricat.com.

sricat.com is a multi-vendor marketplace. Anyone can create an account on Sricat.com and sell their products through Sricat.com to customers worldwide. Sricat.com also allows customers to make payments through Crypto. Anyone can earn Sricat tokens by promoting our products by signing up for Sricat.com's affiliate program.
